ONE-WAY TRAFFIC CONTROL ON STATE ROUTE 41 IN MARIPOSA COUNTY CONTINUES OCTOBER 17-21

The California Department of Transportation (Caltrans) announces that one-way traffic control will continue next week on State Route 41 in Mariposa County as part of a tree removal project taking place in Madera and Mariposa counties.

The following one-way traffic control will take place (weather permitting):

• Beginning Monday, October 17 and ending on Friday, October 21, one-way traffic control will be in effect within a five-mile stretch on State Route 41 in Mariposa County, beginning at the Madera/Mariposa county line. This one-way traffic control will be in effect each day from 7 a.m. until 5 p.m., and the closure zones will be up to one-mile long inside of the five-mile tree removal area. Traffic will be held for up to 15-minutes at a time while fallen trees are removed from the roadway.

Closures may continue for longer periods of time each day if necessary, due to delays caused by weather or uncontrollable events that may occur during this project. These scheduled closures will occur, weather permitting.

Commuters are reminded to obey flagging personnel and pay close attention to maintenance vehicles and personnel at all times.
