Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Kings County Association of Governments (Kings CAG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

No.	Description
3	**Financial Elements**

- This amendment adds the economic recovery funds to the revenue section of the financial tables. No projects have been programmed against these funds in this amendment. The additional revenue is shown as Economic Recovery (ECREC) funds and is included in both the Federal Transit Administration (FTA) and the Federal Highway Administration (FWHA) Non-Discretionary sections of the financial tables in Fiscal Year 2008/09. The amendment adds $8,000,000 in FHWA funds, and $2,207,000 in FTA funds.

See Enclosure.

The Kings CAG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained and meets the requirements of public involvement procedures adopted by Kings CAG. .

Pursuant to the authority delegated to me, I approve Kings CAG Amendment Number 3. I also recommend that the Federal Highway Administration and Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.

Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Penny Gray, of my staff, at (916) 654-3521.

Sincerely,

for RACHEL FALSETTI
Chief
Division of Transportation Programming
