Attention: Mr. Ray Sukys

Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Stanislaus Council of Governments (StanCOG) 2012/13-2015/16 Federal Transportation Improvement Program (FTIP):

No.	Description
12	State and Local Elements

The amendment modifies and adds projects from the StanCOG region. It includes projects funded from the State Highway Operation and Protection Program, and the Surface Transportation Program.

See enclosure.

The StanCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement adopted by StanCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve StanCOG's Amendment Number 12. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2013 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RACHEL FALSETTI
Chief
Division of Transportation Programming
