

NOTICE OF PUBLIC MEETING
MAJOR INTERCHANGE MODIFICATIONS AT I-80 AND SAN PABLO DAM ROAD,
MCBRYDE AVENUE, AND EL PORTAL DRIVE

PROJECT DESCRIPTION: The project is located within the City of San Pablo and unincorporated Contra Costa County and borders the City of Richmond. Proposed improvements are intended to alleviate congestion and improve traffic safety along I-80 and at the three interchanges. The project scope includes:

- ❶ Replacement and widening of the San Pablo Dam Road Overcrossing;
- ❷ Relocation of McBryde Avenue access from westbound I-80 (westbound direction is towards San Francisco);
- ❸ Relocation of El Portal Drive access to westbound I-80;
- ❹ Realignment of Amador Street to intersect with San Pablo Dam Road further east; and
- ❺ Replacement of the I-80/Riverside Avenue Pedestrian Overcrossing serving Riverside Elementary School and extending it across Amador Street

Assessment of the project environmental impacts was completed in February 2010 and found no significant adverse impacts. Detailed project design is now underway and construction is anticipated to proceed in phases as funding becomes available. The initial construction phase is now anticipated to start in late 2014/early 2015.

The estimated current project cost is \$113.3 million of which \$33 million has been secured from multiple sources including the City of San Pablo, Contra Costa’s Measure J Transportation Sales Tax, and state and regional funds.

The project is sponsored by the City of San Pablo, Contra Costa Transportation Authority, California Department of Transportation (Caltrans), in cooperation with the City of Richmond and the West Contra Costa Transportation Advisory Committee.

PUBLIC MEETING: The public is invited to learn more about the project, and to provide input on the proposed landscaping and aesthetic treatments in particular. The meeting will be held on September 12, 2012 at 6:00 pm at the Riverside Elementary School, 1300 Amador Street, San Pablo. The meeting will begin with an open house, followed by a brief presentation, and then a public comment period.

Individuals who require special accommodations (American Sign Language interpreter, accessible seating, documentation in alternative formats, etc.) must contact Caltrans at (510) 286-6445 at least 5 days prior to the scheduled public meeting. Telecommunication Devices for the deaf (TDD) users may contact the California Relay Service TDD line at 1-800-735-2929.

FOR MORE INFORMATION: Contact Chris Colwick, Public Outreach Liaison, at (510) 285-6723, Allyn Amsk, Caltrans Public Information Officer at (510) 286-5445, or Adele Ho, City of San Pablo Public Works Director, at (510) 215-3068.
