Subject: SCA-LARC Company Profile for Calmentor Program

Dear Thu Nguyen:

Introducing Steven Chavez Associates - Landscape Architecture (SCA-LARC), a Los Angeles based landscape architecture firm.

The firm was founded in 2007 by Steven Chavez. Chavez holds a professional landscape architecture degree from the University of Washington, and began his professional experience under the tutelage of landscape architects Gustafson Guthrie Nichol. He is a licensed landscape architect in California (No. 5842) and Washington (No. 1260), a full member of the American Society of Landscape Architects, and a certified professional by the Council of Landscape Architectural Registration Boards.

SCA-LARC is a full service landscape architecture office. Projects and services range in scale from residential to community to regional. Residential work includes intimate spaces designed with spatial clarity and attention to detail. Community projects include working closely with neighborhood groups and allied professionals through a collaborative and participatory design process. Regional projects are carefully analyzed and designed to protect and regenerate the environment.

SCA-LARC is a certified Small Business Enterprise (SBE), Minority Business Enterprise (MBE), and Disadvantaged Business Enterprise (DBE).

SCA-LARC values your work and would heartily welcome an opportunity to collaborate with you on meeting your landscape architecture goals with consummate design solutions.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Chavez', with the date '01/30/14' written next to it.

Steven Chavez, PLA, ASLA
