**FOR IMMEDIATE RELEASE**

**State Highway 99 drivers to be detoured in Galt for Nighttime Construction work**

**Sacramento County** – The California Department of Transportation (Caltrans) is alerting motorists of extended night closures and detours for State Highway 99 in Galt due to construction, weather permitting.

Beginning **Wednesday, March 7 through Saturday, March 17 between the hours of 11 p.m. to 4 a.m.** north and southbound State Highway 99 will be closed in Central Galt at the A and C Street Overcrossings. A signed detour will be present and traffic control will be enforced by the California Highway Patrol.

The detour is necessary to remove existing false work and erect new bridge false work for the A and C Street Overcrossings. The ongoing work is part of a \$39 million Central Galt Interchange Project to replace and improve the existing interchange on State Highway 99 at C Street.

Roadside message boards will be used to post the latest information. Unexpected weather may prolong or cause the work to be rescheduled. Caltrans urges motorists to use caution in this area and to "Slow for the Cone Zone".
