CALTRANS STATEWIDE LITTER PICKUP DAY

WHO: The Caltrans District 10 Maintenance field crews.

WHAT: The Department of Transportation (Caltrans) will participate in a statewide Litter Removal and Enforcement Day.

WHEN: Thursday, April 25, 2013

WHERE: Along the freeways and roadways in the eight counties serviced by Caltrans District 10.

Caltrans is holding its annual statewide Litter Removal and Enforcement Day on Thursday, April 25, 2013. This activity is to enhance public awareness of the volume and cost associated with removing litter, trash and debris by removing litter along the highways and roadways

The best anti-litter campaign is to ensure trash never makes it onto our highways in the first place.

In addition to the economic costs, litter presents a wide range of serious threats to the environment and human health: wildlife can suffer from plastics in the environment; roadside vegetation can be damaged by large debris; fires can be started from burning cigarettes that can threaten human health; harmful chemicals and biohazards can cause a serious threat to human health; litter can clog roadway drainage systems that can lead to wet-weather highway flooding, congestion and accidents, and can aid in the spread of disease.
