NEWS RELEASE

Construction is scheduled to begin as listed, but is subject to change due to traffic incidents, weather, availability of equipment and/ or materials, and construction related issues.

This work is part of the \$32.4 million State Route 99 East Merced Overhead Project which began on June 11, 2012. The project will replace the bridge decks on the 15th Street Undercrossing and the East Merced Overhead Structures. The project will also bring the bridge widths and bridge rails to current standards; install a concrete median barrier; provide standard shoulder widths; and upgrade the existing guard rails and bridge approach rails.
