TRANSPORTATION COMMISSION
COUNTY OF TRINITY, STATE OF CALIFORNIA
21st DAY OF JULY, 2009

RESOLUTION NO. 2009-053(T)

**RESOLUTION CONCURRING WITH THE TRANSPORTATION CONCEPT REPORT
FOR STATE ROUTE 299 FROM ARCATA TO THE NEVADA STATE LINE**

The following Resolution is now offered and read:

WHEREAS, the Trinity County Transportation Commission serving as the Regional Transportation Planning Agency for Trinity County and is responsible for regional transportation planning, which includes the functional relationship between the local road system and State highway system; and

WHEREAS, the California Department of Transportation, District 2 (District) is responsible for the planning, construction and operation of the State highway system, which includes the functional relationship between the State highway system and local road system;

WHEREAS, District 2 in cooperation with the Trinity County Transportation Commission has prepared a Transportation Concept Report (TCR) for the State Route 299 from Arcata to the Nevada State Line.

WHEREAS, the TCR sets forth a conceptual plan for the development, operation and management of the route for the next twenty years; and

WHEREAS, the TCR identifies management, operational and improvement strategies that will be necessary to maintain desired operating conditions/level of service over the twenty year planning horizon; and

WHEREAS, the TCR provides a framework for coordinated planning and funding decisions between the District and its local and regional partners; and

WHEREAS, completion and implementation of the TCR will better position the District and its partner agencies for future funding opportunities.

NOW, THEREFORE, BE IT RESOLVED by the Trinity County Transportation Commission that the Transportation Concept Report presents a balanced and logical concept for the development and operation of the State Route 299 over the next twenty years.

BE IT FURTHER RESOLVED that the Executive Secretary of the TCTC is hereby authorized to sign the signature sheet of the SR 299 TCR.

2009-053(T)
DOT 7-21-09 299 TCR

BE IT FURTHER RESOLVED AND ORDERED by the Trinity County Transportation Commission that the State Route 299 Transportation Concept Report should be considered during preparation of the Regional Transportation Plan, Regional Transportation Improvement Program and Interregional Transportation Improvement Program.

PASSED AND ADOPTED this 21st day of July, 2009 by the Trinity County Transportation Commission.

Upon motion of Commissioner Freeman, seconded by Commissioner Pflueger, and on the following vote, to-wit:

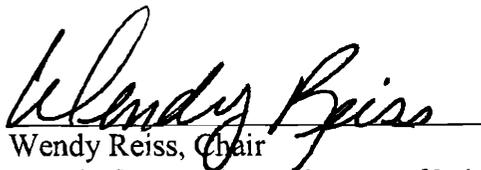

AYES: Commissioners Pflueger, Freeman, Morris and Reiss

NOES: Commissioner Jaegel

ABSENT: None

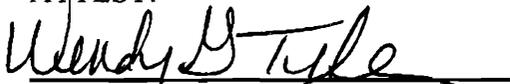

ABSTAINING: None

The foregoing resolution is hereby adopted:

Wendy Reiss, Chair
Board of Supervisors, County of Trinity, State
of California, acting as the Trinity County
Transportation Commission

ATTEST:

Wendy G. Tyle
Clerk of the Board of Supervisors,
County of Trinity, State of California

RESOLUTION NO. 09-09

**RESOLUTION OF THE SHASTA COUNTY
REGIONAL TRANSPORTATION PLANNING AGENCY
CONCURRING WITH THE TRANSPORTATION CONCEPT REPORT
FOR STATE ROUTE 299**

WHEREAS, the Shasta County Regional Transportation Planning Agency is the Regional Transportation Planning Agency for Shasta County and is responsible for regional transportation planning, which includes the functional relationship between the local road system and state highway system; and

WHEREAS, the California Department of Transportation (Caltrans), District 2 is responsible for planning, construction, and operation of the state highway system; and

WHEREAS, Caltrans, District 2, in cooperation with the Shasta County Regional Transportation Planning Agency, has prepared a Transportation Concept Report (TCR) for State Route 299 which sets forth a conceptual plan for the development and operation of the highway for the next twenty years; and

WHEREAS, the TCR identifies management, operational, and improvement strategies that will be necessary to maintain desired operating conditions/level of service over the twenty year planning horizon; and

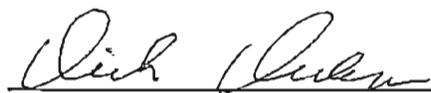

WHEREAS, the TCR provides a framework for coordinated planning and programming decisions between Caltrans and its local and regional partners; and

WHEREAS, completion and implementation of the TCR will better position Caltrans and its partner agencies for future funding.

NOW, THEREFORE, BE IT RESOLVED by the Shasta County Regional Transportation Planning Agency, this 28th day of July, 2009, hereby makes the following findings:

- A. The State Route 299 Transportation Concept Report presents a balanced and logical concept for the development and operation of State Route 299 over the next twenty years; and
- B. The State Route 299 Transportation Concept Report should be considered during preparation of the Regional Transportation Plan, Regional Transportation Improvement Program, Interregional Transportation Improvement Program, State Highway Operations and Protection Program, and other plans and funding programs.

BE IT FURTHER RESOLVED that the Shasta County Regional Transportation Planning Agency concurs with the State Route 299 Transportation Concept Report and authorizes the Executive Director to sign the "Concurrence" block on the signature sheet for the Report.

Dick Dickerson, Chair
Shasta County Regional
Transportation Planning Agency

LASSEN COUNTY TRANSPORTATION COMMISSION
Resolution 09-07
**Concurring with the Transportation Concept Report
for State Route 299**

WHEREAS, the Lassen County Transportation Commission (LCTC) is the Regional Transportation Planning Agency for Lassen County and is responsible for regional transportation planning, which includes the functional relationship between the local road system and State Highway system; and

WHEREAS, the California Department of Transportation (Caltrans), District 2, is responsible for the planning, construction, and operation of the State Highway system, which includes the functional relationship between the state highway system and local road system; and

WHEREAS, Caltrans, District 2, in cooperation with the Lassen County Regional Transportation Planning Agency has prepared a Transportation Concept Report for State Route 299 which sets forth a conceptual plan for the development and operation of the highway for the next twenty years; and

WHEREAS, the State Route 299 Transportation Concept Report identifies conceptual improvements that could be undertaken over the twenty year planning horizon.

WHEREAS, the State Route 299 Transportation Concept Report also identifies improvements on or near the state highway system that may facilitate regional or local development, improve local circulation and enhance quality of life; and

WHEREAS, implementation of many of the improvements identified in the State Route 299 Transportation Concept Report will require funding and delivery partnerships between Caltrans, District 2, and its local and regional partners; and

WHEREAS, completion of the SR 299 TCR will better position the District and its partner agencies for future funding opportunities.

NOW, THEREFORE, BE IT RESOLVED by the Lassen County Transportation Commission, this 13th day of July, 2009, that the State Route 299 Transportation Concept Report presents a balanced and logical concept for the development and operation of State Route 299 over the next twenty years.

BE IT FURTHER RESOLVED by the LCTC that the State Route 299 Transportation Concept Report should be considered during preparation of the Regional Transportation Improvement Program, Interregional Transportation Improvement Program, and other plans and funding programs.

BE IT FURTHER RESOLVED by the LCTC that the Executive Secretary is hereby authorized to sign the "Concurrence" block on the signature sheet for the State Route 299 TCR.
