FOR IMMEDIATE RELEASE

STATE ROUTE 190 PAVEMENT REHAB PROJECT CONTINUES NEXT WEEK IN TULARE COUNTY

The Department of Transportation (Caltrans) announces construction will continue for the **Lake Success Rehabilitation Project** and will require one way traffic control along 5.2 miles of State Route 190 east of Porterville near Springville for pavement rehabilitation.

The following lane closures will be in effect next week:

- **State Route 190 will be reduced to one way traffic control beginning Monday, May 20th through Thursday, May 23rd between the hours of 6:00 a.m. and 8:00 p.m. each day, and on Friday, May 24th, 2013 from 6:00 a.m. and 12:00 p.m. Closures will take place from just east of Road 284 to Pleasant Oak Drive near Lake Success in Tulare County.**

Construction Crews will be conducting one way traffic control during this time with the use of a pilot car and flagging personnel through the work zone. Commuters are reminded to obey flagging personnel and pay close attention to road construction vehicles and personnel at all times.

Motorists who are delayed at driveways and intersections will be required to wait for pilot car and adhere to all signage in order to safely proceed through the work zone.

During construction operations, delays can last for up to 15 minutes. Commuters are encouraged to avoid this area during project work hours and use alternate routes if possible. Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during road construction procedures.
