STATE ROUTE 198 / 19TH AVENUE INTERCHANGE PROJECT CONSTRUCTION UPDATE

The California Department of Transportation (Caltrans) in cooperation with Granite Construction Inc. announces scheduled lane closures as construction continues on the State Route 198/19th Avenue Interchange Project in Lemoore within Kings County.

Lane closures next week will be as follows:

The #2 lane (right lane) of eastbound and westbound State Route 198 between State Route 41 and Avenue 18 ½ (Vine Street) will be closed beginning Tuesday, January 21st at 12:00 p.m. to Friday evening, January 24th, 2014 at 6:00 p.m.

During this closure, westbound State Route 198 will be reduced to one lane in each direction while crews complete the work. Motorists will experience delays and are encouraged to take alternate routes whenever possible.

This \$36 million dollar project will construct a partial cloverleaf interchange with overcrossing bridge at 19th Avenue allowing access over State Route 198. Construction is anticipated to be complete in Spring 2015.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please
Slow of the Cone Zone.
