CALTRANS ADVISES LANE CLOSURE TOMORROW DUE TO MAINTENANCE

WHAT: SLAB REPAIR PROJECT ALONG NORTHBOUND 99 REQUIRES LANE CLOSURE.

WHEN: TOMORROW, THURSDAY, FEBRUARY 26, 9:00 A.M. UNTIL 2:00 P.M.

WHERE: CITY OF SELMA; NORTHBOUND 99 FROM SECOND STREET TO JUST SOUTH OF MANNING AVENUE.

The California Department of Transportation (Caltrans) announces maintenance personnel will conduct slab repair operations within the **northbound (NB)** number one (fast) lane of State Route (SR) 99 tomorrow morning beginning at 9:00 a.m. In order to safely complete this project, the median will also be closed to motorists. **(Schedule or specific lane closures are subject to change due to unforeseen circumstances which may occur during maintenance operations.)**

Traffic delays may occur along northbound SR99 during this time and it is anticipated that on and off-ramps within the project limits will remain open. Motorists are encouraged to avoid the area or use an alternate route whenever possible.

Portable changeable message signs (PCMS) will be activated south of the project limits notifying motorists of lane closure in order for motorists to merge accordingly.

Caltrans would like to thank motorists for their patience during this improvement project. The public is reminded to be alert for Caltrans personnel and to merge when directed to do so. The safety of our motorists' and work crew personnel is most important, therefore, please stay work zone alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times.

For further information regarding this project, please contact the number listed above or follow us at www.facebook.com/caltrans.centralvalleydistrict6 or twitter at www.twitter.com/caltransdist6.
