**FOR IMMEDIATE RELEASE**

**Who:** California Department of Transportation  
**What:** Manzanar/Independence 4-Lane Project  
**When:** Thursday, March 4, 2010  
**Where:** Inyo County on US 395 ½ mile north of Moffat Ranch Road

On Thursday March 4, 2010, Caltrans and Granite Construction will route northbound traffic traveling on US 395 onto a new and permanent alignment. The California Highway Patrol will monitor and assist during the switching of traffic.

This operation is dependent on favorable weather. If impacted by weather the new traffic routing will take place on the next favorable weather day.

**When approaching the work zone the traveling public is advised to reduce their speed, observe the Caltrans signs, and watch for personnel and equipment working on the highway**
