FOR IMMEDIATE RELEASE

Bishop – On Earth Day, in a statewide effort to raise the public’s awareness and prevent littering, Caltrans District 9 Maintenance Crews joined with the California Highway Patrol, the Keep California Beautiful Organization, and numerous volunteers picking up trash along the district’s roadways. Last year, the State of California spent \$60 million to pick up and dispose of trash that was tossed or dumped onto California’s roadways.

The public can do its part by participating in the Caltrans Adopt-A-Highway Program.
