	<b>Date Issued:</b> August 8, 2006
<b>References:</b>  PML 2006-026	<b>Expires:</b> Until Rescinded

**Purpose:** To inform the State of California attorneys, administrative law judges & hearing officers in State employment (BU2) the increase in mileage reimbursement rates when using a privately owned vehicle for official State business.

**Policy:** Effective July 1, 2006, the mileage reimbursement rates BU2 employees who use their personal vehicle for official State business will be:

- 44.5 cents per mile for authorized State business.
- 18 cents per mile, when newly hired to the State and approved to receive relocation.

The rates above reflect the Internal Revenues Service (IRS) current published mileage reimbursement rates as of July 1, 2006. Future increase/decrease to the State rates will be directly tied to any subsequent changes to the published IRS rates.

**Represented Employees:** Represented employees other than BU2 cannot claim the increased mileage rates until their bargaining unit contract is ratified and approved by the Legislature. A Travel Information & Policy e-mail will be issued when this occurs.
