

Crack Treatment Material, MS 5
Department of Transportation
5900 Folsom Boulevard
Sacramento, CA 95819-4612

Date: September 22, 2016
Prepared By: Hamid Moussavi, Sr Tr Engineer, (916) 274-6176

FLEXIBLE PAVEMENT CRACK TREATMENT MATERIAL

A crack treatment material will be considered for addition to the Department's approved list if the producer of the material submits a lab size sample, along with their certified test results. Approval will depend upon compliance with the specifications, based on the certified test results submitted, together with any replicate testing the Department may elect to perform.

Submit samples and test results to the address shown above.

Manufacturers are limited to a maximum of five approved products.

MANUFACTURER	PRODUCT NAME	CALTRANS TYPE
