DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR RSTP/CMAQ MATCH RESERVE PROJECTS
RESOLUTION G-01-05 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-05 for RSTP/CMAQ Match Reserve projects programmed in the State Transportation Improvement Program (STIP). In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These RSTP/CMAQ Match Reserve projects are included in the adopted STIP. The Department reports allocations on a monthly basis consistent with Resolution G-01-05.

SUMMARY

Pursuant to the authority granted by Resolution G-01-05, since the last report the Department made three separate allocations totaling \$51,000 for three RSTP/CMAQ Match Reserve projects. None of these allocations were made subject to the provisions of AB 872, which establishes reimbursement effective dates up to 12 months prior to the allocation dates.

All three allocations were made for projects programmed in the Fiscal Year (FY) 2001-2002. The attached list provides details of the allocations.

As of this report, \$3,690,000 has been allocated this fiscal year. Of this amount, \$1,591,000 is for projects programmed in FY 2001-2002. Another \$112,000 is for allocations from FY 2000-2001 that received time extensions and \$1,987,000 is for allocations from FY 1999-2000 that received time extensions. There have been no advance allocations this FY.
