ISSUE

The attached Resolution proposes allocating \$414,000 for one project from the 2004-05 Fiscal Year of the 2002 Aeronautics Program.

RECOMMENDATION

The Department of Transportation (Department) recommends that the California Transportation Commission (Commission) approve Resolution FDOA-2002-10, allocation of California Aid to Airports Program (CAAP) funds in FY 2002-03.

BACKGROUND

In April 2002, the Commission adopted the 2002 three-year Aeronautics Program consisting of 59 projects and \$17,963,000. At the October 2002 meeting, the Commission requested all future allocations be made for safety projects only until sufficient funds become available in the Aeronautics Account. The attached resolution proposes to allocate \$414,000 for one project from the 2002 Program for a safety project at the Corona Municipal Airport to repair/replace the runway lights.
