- Construct a High Occupancy Vehicle (HOV) lane in each direction in Baldwin Park, West Covina, Covina, San Dimas, Pomona and unincorporated Los Angeles County.

The design and construction of this project have been divided into three segments. The limits of Segment 1 are from KP 50.2 to KP 53.4 (PM 31.2/33.2). Estimated cost for Segment 1 is \$109,643,000. The Los Angeles County Metropolitan Transportation Authority has made a commitment to fund the remaining \$98,218,000 in the future to complete Segment 1. Funding for Segments 2 and 3 has not yet been identified.

The Department of Transportation (Department) has approved the project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
