Subject: **FINANCIAL ALLOCATION TO MATCH FEDERAL AIRPORT IMPROVEMENT PROGRAM GRANTS OVER \$100,000 RESOLUTION FDOA-2014-04**

## **RECOMMENDATION:**

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission) allocate a total of \$615,046 in State match to federal Airport Improvement Program (AIP) grants funds Fiscal Year (FY) 2014–15 for three State administered AIP projects.

## **BACKGROUND:**

At the August 2014 Commission meeting, Resolution FDOA-2014-03 approved a set-aside request for AIP State matching grants but also included a requirement that any requests over \$100,000 be submitted as a separate request to the Commission.

## **ISSUE:**

On September 30, 2014, the Federal Aviation Administration (FAA) published a list of all federal AIP grants awarded to California airports. Three projects were over \$100,000 with a total of \$615,046. Requests for the State match for these three projects have been received by the Department. Consistent with Resolution FDOA-2014-04, the projects requesting allocation are described below:

Tracy Municipal	Rehabilitate Runway	\$320,682
Calexico	Rehabilitate Runway	\$166,864
Bishop	Install Guidance Signs, Rehabilitate Lighting	\$127,500

## **FINANCIAL RESOLUTION:**

Resolved, that \$615,046 be allocated from the non-Budget Act 2660-602-0041, for three AIP projects as described above.
