CONTRA COSTA
transportation
authority

- The Contra Costa Transportation Authority (CCTA) is a public agency formed by Contra Costa voters in 1988 to manage the county's transportation sales tax program and to lead the county's transportation planning efforts.

- CCTA is responsible for maintaining and improving the county's transportation system by planning, funding, and delivering critical transportation infrastructure projects and programs that connect our communities, foster a strong economy, increase sustainability, and safely and efficiently get people where they need to go.

WHAT WE DO

- **BUSES** Invest in a reliable, comfortable and convenient bus network

- **LOCAL STREETS** Smooth traffic flow on major roads and invest in neighborhood improvements such as repairing potholes and road surfaces

- **PEDESTRIAN** Make improvements to sidewalks, crosswalks, trails, and paths

- **SAFE ROUTES TO SCHOOLS** Focus on programs and projects aimed at bicycle and pedestrian safety for K-12 students

- **FERRIES** Expand the Bay Area ferry system by looking to ferries as an alternate commute method between West County and San Francisco

- **BICYCLE** Invest in safe routes and infrastructure improvements for bicyclists

- **BART** Make improvements to BART service and stations, such as extensions to new routes and parking at stations

- **HIGHWAYS** Complete Contra Costa's highway system, and improve air quality and noise protection along these corridors

- **CARPOOL/RIDESHARE** Implement programs aimed at reducing traffic congestion by encouraging carpooling and ridesharing

- **PROGRAMS FOR SENIORS AND PEOPLE WITH DISABILITIES** Enhance transit options to improve mobility for seniors and people with disabilities
