Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Amendment No. 6 to the Madera County Transportation Commission's (MCTC) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP). The amendment revises the fund sources of ten projects to include the American Recovery and Reinvestment Act of 2009 (ARRA) funds. ARRA funds for both Federal Transit Administration and Federal Highway Administration are included. In addition, cost increases within the parameters of an administrative modification are also included. The following projects are included in this transaction: MAD406001, MAD217031, MAD42002, MAD302051, MAD113039, MAD213058, MAD213063, MAD213064, MADMAD213069, and MAD213072.

MCTC submitted these changes through an administrative modification consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this amendment has been included in California's 2009 FSTIP.

Please address any questions on this FSTIP approval request to Penny Gray of my staff at (916) 654-3521.

Sincerely,
