Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Amendment No. 7 to the Madera County Transportation Commission's (MCTC) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP). The amendment revises the fund sources of project MAD217031. The amount of American Recovery and Reinvestment Act of 2009 (Recovery Act) funds has increased while local funds have decreased. The total project cost remains the same. This amendment also revises the funding for project MAD420002. The distribution between the fund sources, local funds and Recovery Act funds, has been revised and the total project cost is increased by \$41,000.

MCTC submitted these changes through an administrative modification consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this amendment has been included in California's 2009 FSTIP.

Please address any questions on this FSTIP approval request to Penny Gray of my staff at (916) 654-3521.

Sincerely,

A handwritten signature in blue ink that reads "Muhaned Aljabiry".

MUHANED ALJABIRY, Chief
Office of Federal Transportation Management Program
