Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 17 to California's 2008/09-2011/12 Federal Statewide Transportation Improvement Program (FSTIP), which makes minor modifications to the FSTIP. The following modifications have been made to the FSTIP:

- Countywide Traffic Sign Replacement, MPO ID SIGNAGE, Amador County. The implementing agency has been changed from Amador County Transportation Commission to Amador County.
- Lake Mary Bicycle and Pedestrian Improvement, MPO ID LAKEMARY. The total cost of the project has not changed. However, \$20,000 of Transportation Enhancement funds have been transferred from the construction phase to preliminary engineering. This project also has Recovery Act funding.
- SHOPP Collision Reduction Grouped Project Listing, MPO ID SH_COLRED. Project EA 2E060, Trinity County, is added to the grouped project listing. The total cost of the project is \$1,751,000, and increases the cost of the grouped project listing by less than .4 percent.

These changes are submitted as an administrative modification. The changes are within the quadrennial element; do not reflect a change in the design concept or scope of the project, or impact financial constraints. Funding is available for these modifications.

Mr. Walter C. Waidelich Jr /Mr. Leslie T. Rogers

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2008/09-2011/12 FSTIP.

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,
