RE: Administrative Amendment #6 (Type 1) to the Stanislaus Council of Government's 2009 Interim FTIP

Mr. Aljabiry:

The Stanislaus Council of Governments (StanCOG) Policy Board has authorized its Executive Director to approve Administrative Amendment #6 to StanCOG's 2009 Interim FTIP. The purpose of this letter is to notify Caltrans, FHWA and the FTA that an administrative amendment has been authorized and approved. A summary of changes to projects listed in the 2009 Interim FTIP is attached as well as each project's corresponding CTIPS page. The financial tables have also been revised to reflect funding source changes.

Changes included in this Administrative Amendment meet the criteria identified in the letter issued by FHWA on November 17, 2008, regarding revised Federal/Statewide Transportation Improvement Program Modification Procedures. Per these "Procedures", StanCOG is issuing "minor" changes related to project cost, selection or programming that do not interfere with the timely implementation of any approved TCMs project. None of the project modifications within this amendment require a re-determination of the air quality conformity analysis. Administrative Amendments to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

This Administrative Amendment incorporates the ARRA – HM project described as "**In Merced County in and near Dos Palos, from Fresno County Line to Route 152; and in Stanislaus County at and near Westley to 0.1 mile south of Rodgers Road to San Joaquin County line.**" to the RSTP Lump Sum Program per Abhijit Bagde. The project, as identified by Caltrans, adds $1.206M to the RSTP Lump Sum program.

If you have questions or comments regarding this Amendment, please contact Scott Philips (swphilips@stancog.org) or Carlos Yamzon (cyamzon@stancog.org) or via telephone at 209-525-4600.

Sincerely,

Vince Harris
Executive Director
