RE: Amendment #4 to the 2009 Interim Federal Transportation Improvement Program (Type 2 Formal Amendment)

Recommendation

By **MOTION**, via **RESOLUTION**, StanCOG staff recommend that the Policy Board adopt Amendment #4 (Type 2 Formal Amendment) to the StanCOG 2009 Interim Federal Transportation Improvement Program (FTIP), and if necessary, allow the Executive Director to make minor modifications to the 2009 Interim Federal Transportation Improvement Program.

Background

As the designated Metropolitan Planning Organization, for the Stanislaus Region, StanCOG is responsible for managing state and federal funds through a document called the Federal Transportation Improvement Program, or FTIP. This document contains the entire list of projects to which state and federal funds have been awarded through StanCOG, Caltrans, or other grantor agencies. The Policy Board adopted the Interim 2009 FTIP on July 9, 2008. Occasionally, this document must be amended to add new projects, modify project descriptions or funding amounts, change program-funding year, or delete existing projects.

Discussion

The Stanislaus Council of Governments (StanCOG) is proposing a formal amendment (Type # 2: Formal Amendment, New Funding Source) to the 2009 Interim Federal Transportation Improvement Program (Interim FTIP). The 2009 Interim FTIP is the programming document that identifies four years (FY 08/09, FY 09/10, FY 10/11, and FY 11/12) of federal, state and local funding sources for projects in Stanislaus County.

StanCOG was instructed by Caltrans, on behalf of the Federal Highway Administration, to process a "revenue-only" amendment to incorporate the Stanislaus regions' American Recovery and Reinvestment Act (ARRA) of 2009 estimated fund apportionment. Draft Amendment #4 to the 2009 Interim FTIP adds the estimated ARRA funding allocation provided by Caltrans as a revenue source to the 2009 Interim FTIP Financial Plan. Please note that the apportionment amounts identified in this amendment may be adjusted in the future via a Formal Amendment to meet the final appropriation of ARRA funding.

As directed by Caltrans Department of Programming, the ARRA funds are being programmed in the Financial Plan of the StanCOG 2009 Interim FTIP as Economic Recovery (ECREC). Amendment #4 programs the estimated apportionment in the new ECREC funding category only. There are no projects associated to this revenue source at this time; therefore, no further conformity determination is required. This amendment does not interfere with the timely implementation of any approved TCMs.

The 2009 Interim FTIP is a listing of capital improvement and operational expenditures utilizing federal and state monies for transportation projects in Stanislaus County during the next four years that are eligible to proceed without a conformity determination.

Amendment #4 to the 2009 Interim FTIP incorporates the 2009 Economic Stimulus Transit and Transportation funding package for the Stanislaus Region.

The Draft Conformity Analysis contains the documentation to support a finding that Amendment #4 meets the air quality conformity requirements for carbon monoxide, ozone and particulate matter.

This is a Type 2 Formal amendment to the 2009 Interim FTIP

The amendment was circulated for comments a minimum of 30 days prior to approval.

The proposed amendment does not interfere with the timely implementation of any approved Transportation Control Measures.

The amendment maintains the financial constraint of the 2009 Interim FTIP.

This amendment will require full State and Federal concurrence and, accordingly, will be forwarded to the reviewing agencies after Policy Board action.

Attachments:

- Attachment 1 - Summary of Changes to the StanCOG 2009 Interim FTIP
- Attachment 2 - Updated Financial Plan - The Financial Plan for the 2009 Interim FTIP has been updated to include Federal ECREC estimated apportionments provided by Caltrans for Highway (FHWA) and actual apportionments for Transit (FTA):

- Highway (FHWA) – \$37,000,000.00
- Transit (FTA) – \$ 7,340,723.00

Actions

Amendment #4 was presented to the StanCOG Technical Advisory Committee, (TAC) which, by motion, recommended that the StanCOG Policy Board unanimously adopt Amendment #4, in its entirety, by resolution.

If you have questions or concerns regarding this amendment, please call Scott Philips (swphilips@StanCOG.org) or Carlos Yamzon (cymazon@stancog.org) at (209) 525-4600.
