Subject 2010 SHOPP - Long Lead and GARVEE Projects

Greetings,

Attached file includes Long Lead and Grant Anticipation Revenue Vehicles (GARVEE) funded projects from the 2010 SHOPP. Please work with the respective MPO, for the projects from your region, if any, to program the projects in the 2011 FTIP.

For SHOPP - Long Lead projects **only PA&ED costs** can be programmed at this time. These costs can be programmed in 2011 FTIPs for FY 2010/11 (or in 2009 FTIP for FY 2010/11 if the PA&ED work is expected to begin before December 15, 2010).

For GARVEE funded projects only the **construction capital costs** are funded with GARVEE funding; all other components are funded with the regular SHOPP funding. The fund type below needs to be used when programming GARVEE costs in the FTIP.

Grouped project listings report for the regular 2010 SHOPP projects will be forwarded to MPOs/Districts on/after May 1, 2010.
