**Subject: Submittal of the Kern Council of Governments' Administrative Modification No. 6 to the 2013 Federal Transportation Improvement Program**

Dear Mr. Aljabiry:

The Kern Council of Governments' Federal Transportation Improvement Program (FTIP) policy is to compile administrative modifications that are made on an as needed basis and report to Caltrans, federal transportation agencies, and air quality agencies. Administrative Modification No. 6 to the 2013 FTIP (Modification No. 6) has been included in this report. The Kern COG staff reviewed the requests and has agreed to make administrative revisions to the 2013 FTIP reflecting changes to the projects below:

**Regional Surface Transportation Program – KER120408 and KER120410**

- The City of Shafter requests to revise the funding for existing record KER120408. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 6 because: 1) the change in total funding is less than 40%; 2) there is a change in source of funds; and 3) proposed project changes do not interfere with the timely implementation of any approved TCMs. The project is exempt from conformity per 40 CFR 93.126.
- The City of Tehachapi requests to revise the funding for existing record KER120410. Kern COG concurs with the request to expedite the appropriate changes as part of Modification No. 6 because: 1) the change in total funding is less than 40%; 2) the project is exempt from conformity per 40 CFR 93.126; and 3) proposed project changes do not interfere with the timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constraint documentation will be updated to reflect changes made by this administrative modification in the next formal amendment.
