Mr. Muhaned Aljabiry
California Department of Transportation
Division of Transportation Programming, MS82
P.O. Box 942874
Sacramento, CA 64274-0001

Attention: Lima Huy

Subject: Submittal of the Madera County Amendment #1 (Type 1 Administrative Modification) to the 2013 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed for your records is Amendment #1 (Type 1 Administrative Modification) to the 2013 Federal Transportation Improvement Program (FTIP) federal and state approval has been delegated to the MPO are not required.

Amendment #1 to the 2013 FTIP updates the Highway Safety Improvement Program (HSIP), per California Department of Transportation (Caltrans) request, SHOPP Collision Reduction Program per updated Caltrans SHOPP listing, and the Local Assistance Highway Bridge Program (HBP), per Caltrans request.

The proposed minor changes are consistent with the administrative modification procedures per the US DOT letter dated June 3, 2011. There are no new projects proposed with Amendment #11 and all minor changes were made to exempt projects, therefore, no further conformity determination is required. This amendment does not interfere with the timely implementation of any approved TCMs.

Amendment #1 meets all applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. These projects and/or project phases are consistent with the 2011 Regional Transportation Plan (RTP), which was adopted by the Madera County Transportation Commission on July 21, 2010.

The MCTC Public Participation Plan does not require a public review and comment period for Type 1 Administrative Amendments. The MCTC Policy Board has delegated MPO approval of Type 1 Administrative Amendments to its Executive Director. State and Federal approval has been delegated to the MPO and is not required. Included with this letter are two hard copies of Amendment #1 to the 2013 FTIP. The Amendment #1 to the 2013 FTIP is available online on the MCTC website at <http://www.maderactc.org>.

If you have any questions regarding this document, please contact Jeff Findley at (559) 675-0721.

Sincerely,

Patricia Taylor, Executive Director
Madera County Transportation Commission

ATTACHMENT 3
GROUPED PROJECT LISTING

2010/11-2015/16 Highway Bridge Program

See the appropriate FTIP/FSTIP for current funding commitments. This listing provides the backup project information to support the lump sum amounts programmed in the FTIP.

10/29/2012, 1:56 PM

- Notes:
- 1) This is the FTIP lump sum “backup” list for HBP funded projects. Please see the Local Assistance web site for the most current listings:

http://www.dot.ca.gov/hq/LocalPrograms/hbrr99/HBP_FSTIP.html
 - 2) The purpose of this list is to show which projects being advanced by local agencies have met the eligibility requirements of the federal Highway Bridge Program and have been prioritized for funding by the Department in cooperation with local agencies for funding.
 - 3) Contractual funding levels are determined at time of federal authorization/obligation for given phase of work. For details see Chapter 3 of the Local Assistance Procedures Manual.
 - 4) For FTIP/FSTIP purposes, Federal Highway Bridge Program (HBP) funding constraint is managed by Caltrans.
 - 5) Prop 1B bond funds for the Local Seismic Safety Retrofit Program (LSSRP) used for matching federal funds are also managed by Caltrans.
 - 6) Financial constraint of LOCAL matching funds (including regional STIP funds) and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.
 - 7) Some projects show that they are programmed using State STP funds. These funds are HBP funds transferred to the STP for bridge work that is not ordinarily eligible for HBP funds. See the HB Program Guidelines for details. Do not confuse these STP funds with Regional STP funds.
 - 8) Corrections to this report should be addressed to the District Local Assistance Engineer:

<http://www.dot.ca.gov/hq/LocalPrograms/dlae.htm>

2010/11-2015/16 Highway Bridge Program
