Re: Madera County Amendment #2 (Type 3)  
to the 2013 Federal Transportation  
Improvement Program

Dear Ms. Falsetti:

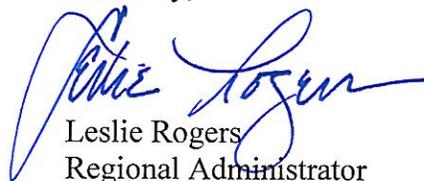

The Federal Transit Administration has completed its review of your letter, dated January 24, 2013, regarding the Madera County Transportation Commission's (MCTC) Amendment #2 to the 2010-2014 Federal Transportation Improvement Program (FTIP). We approve this amendment, which adds \$50,000 in Section 5316 funds to the CalVans service in order to cover increased operating costs.

We find this amendment in accordance with 23 CFR 450 and to be based on a continuing, comprehensive, and coordinated transportation planning process in accordance with the provisions of 23 USC 134 and 49 USC 5303. The elements of this amendment are consistent with the State Implementation Program and conform to applicable air quality regulations. In addition, the funds programmed are consistent with anticipated revenues and the amendment does not conflict with current financial planning expectations. This determination was made in consultation with the Federal Highway Administration, California Division

This letter also constitutes approval of the amendment with the understanding that FTA funding approval on individual projects is subject to compliance with all applicable administrative requirements.

Should you have any questions, please contact Eric Eidlin at (415) 744-2502.

Sincerely,

Leslie Rogers  
Regional Administrator
