Subject: Submittal of the Madera County Amendment #7 (Type 3) to the 2013 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed for your review and approval is Amendment #7 (Type 3) to the 2013 Federal Transportation Improvement Program (FTIP).

Documentation associated with this amendment is provided as indicated below:

- **Project List:** Attachment 1 includes a summary of programming changes that result from Amendment #7 to the 2013 FTIP. The project and/or project phases are consistent with the 2011 Regional Transportation Plan (RTP), which was adopted by MCTC on July 21, 2010. The attachment also includes the CTIPs printout for the project changes to the 2013 FTIP via Amendment #7.
- **Updated Financial Plan:** Attachment 2. The Financial Plan from the 2013 FTIP has been updated to include the project list as provided in Attachment 1. The financial plan confirms that, with this amendment, the 2013 FTIP remains financially constrained.
- **Conformity Requirements:** The proposed project changes have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

In addition, the projects and/or project phases contained in Amendment #7 do not interfere with the timely implementation of any approved Transportation Control Measures (TCMs).

- **Public Involvement:** Attachment 3 includes the Public Notice and Adoption Resolution.

A 7-day public review and interagency consultation period was completed on October 22, 2013. A public hearing was held at our regularly scheduled Board meeting on October 23, 2013. The final document has been updated to address public comments received. The public participation process for Amendment #7 to the 2013 FTIP is consistent with the MCTC Board adopted Public Participation Plan. On October 23, 2013, the MCTC Board of Directors approved Amendment #7 to the 2013 FTIP. State and federal approval is required.

Included with this letter are two hard copies of Amendment #7 to the 2013 FTIP. An electronic copy of the four year financial plan will be sent via email. Amendment #7 to the 2013 FTIP is also available online on the MCTC website at <http://www.maderatctc.org>.

If you have any questions regarding this document, please contact Jeff Findley at (559) 675-0721.

Sincerely,

Patricia Taylor, Executive Director
Madera County Transportation Commission

NOTICE OF PUBLIC HEARING ON THE DRAFT AMENDMENT #7 TO THE 2013 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM

NOTICE IS HEREBY GIVEN that the Madera County Transportation Commission (MCTC) will hold a public hearing on October 23, 2013, at 3:00 p.m. at the MCTC Board Room at 2001 Howard Road, Suite 201, Madera, CA 93637 regarding the Draft Amendment #7 to the 2013 Federal Transportation Improvement Program. The purpose of the hearing is to receive public comments.

- The 2013 FTIP is a listing of capital improvement and operational expenditures utilizing federal and state monies for transportation projects in Madera County during the next four years that are eligible to proceed without a conformity determination.

- The Draft Amendment #7 to the 2013 FTIP is a Type 3 amendment that contains project phases and/or projects that have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

A concurrent 7-day public review and comment period will commence on October 15, 2013 and conclude October 22, 2013 at 3:00 p.m. The draft documents are available for review at the MCTC office, located at 2001 Howard Road, Suite 201, Madera, CA 93637 and on the MCTC website at <http://www.maderactc.org/>.

Public comments are welcomed at the hearing, or may be submitted in writing by 3:00 p.m. on October 22, 2013 to Jeff Findley at the address below.

After considering the comments, the documents will be considered for adoption, by resolution, by the Madera County Transportation Commission at a regularly scheduled meeting to be held on October 23, 2013. The documents will then be submitted to state and federal agencies for approval.
