Dear Mr. Hannon and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 31 to the rural non-Metropolitan Planning Organization (MPO) area portion of the California 2013 Federal Statewide Transportation Improvement Program (FSTIP). This modification adds programming capacity in the amount of \$18.3 million that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next formal amendment.

FSTIP Modification #31 amends the following existing projects in the 2013 FSTIP:

State and Local Elements:

Various Counties:

Proj #1: CTIPS ID 230-0000-0066, Grouped Project for Safety Improvements – State Highway Operation and Protection Program (SHOPP) Collision Reduction – increases the funding by \$9.1 million in FY 15/16 and adds one new project on the detailed backup listing.

Proj #2: CTIPS ID 230-0000-0029, Grouped Projects for Emergency Repair – SHOPP Emergency Response – modifies the funding in FY 14/15 and 15/16 totaling \$8.2 million and updates the projects on the detailed backup listing.

Nevada County:

Proj #3: CTIPS ID 130-0000-1204, SR-89 Union Pacific Railroad Grade Separation Widening – modifies the funding and fund sources in various FYS totaling \$953,000.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2013 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,
