Mr. Leslie T. Rogers
Regional Administrator
Federal Transit Administration
201 Mission Street, Suite 1650
San Francisco, CA 94105

Attention: Mr. Jermaine Hannon

Attention: Mr. Ray Sukys

Dear Mr. Hannon and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 35 to the rural non-Metropolitan Planning Organization (MPO) area portion of the California 2013 Federal Statewide Transportation Improvement Program (FSTIP). This modification reduces the programming capacity in the amount of \$63.3 million. The financial plan will be updated to reflect this change in the next formal amendment.

FSTIP Modification #35 amends the following existing projects in the 2013 FSTIP:

State and Local Elements:

Various Counties:

Proj #1: CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction - State Highway Operation and Protection Program (SHOPP) – reduces the funding by \$73.7 million in Federal Fiscal Years (FFY) 14/15 and 15/16 and revises the detailed backup listing.

Proj #2: CTIPS ID 230-0000-0066, Grouped Project for Safety Improvements – SHOPP Collision Reduction – increases the funding by \$4.9 million in FFYs 14/15 and 15/16 and revises the detailed backup listing.

Proj #3: CTIPS ID 230-0000-0029, Grouped Project for Emergency Repair – SHOPP Emergency Response – reduces the funding by \$1.4 million in FFYs 14/15 and 15/16 and revises the detailed backup listing.

Proj #4: CTIPS ID 230-0000-0067, Grouped Project for Safety Improvements – SHOPP Mobility Program – increases the funding by \$6 million in FFY 14/15 and revises the detailed backup listing.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers

Page 2

Proj #5: CTIPS ID 230-000-0134, Grouped Project for Safety Improvements – SHOPP Mandates Program – increases the funding by \$2 million in FFYs 14/15 and 15/16 and revises the detailed backup listing.

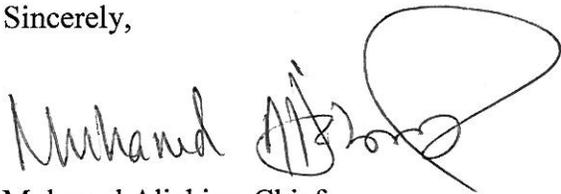

Proj #6: CTIPS ID 230-0000-0160, Grouped Project for Safety Improvements – Safe Routes to School – reduces funding by \$1.2 million in various FFYs and revises the detailed backup listing.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2013 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Muhaned Aljabiry". The signature is stylized with a large loop at the end.

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
