Dear Mr. Hannon and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 5 to the Rural non-Metropolitan Planning Organization (MPO) portion of the California 2013 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity by approximately \$2 million. The financial plan will be updated to reflect this change in the next formal amendment.

FSTIP Modification #5 amends the following projects in the 2013 FSTIP:

1. CTIPS ID 230-0000-0150, Grouped Project Listing for Acquisition of Scenic Easement – modifies the funding of the grouped listing by adding one new project totaling \$53,000 funded by the Federal Discretionary National Scenic Byway Program and local funds.
2. CTIPS ID 230-0000-0375, Grouped Projects for Purchase of Transit Vehicles – modifies the funding of the grouped listing by adding one new transit project totaling \$365,000 funded by Congestion Mitigation and Air Quality (CMAQ) funds.
3. CTIPS ID 230-0000-0234, Jamestown Main Street to Railtown Sidewalks – modifies CMAQ funds from \$258,000 to \$110,000 and programs \$148,000 of State Transportation Improvement Program (STIP) Transportation Enhancement (TE) funds. No changes in total project cost.
4. CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction – State Highway Operation and Protection Program (SHOPP) – reduces programmed amount by \$72,000 in FY 13/14 and revises the backup grouped project listing.

5. CTIPS ID 230-0000-0029, Grouped Projects for Emergency Repair – SHOPP Emergency Response – adds a new project for \$1,660,000 in FY 12/13 and revises the backup grouped project listing.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2013 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

for Muhaned Aljabiry, Chief  
Office of Federal Transportation Management Program
