Please accept **Administrative Modification No. 13-14** to the 2013 Federal Transportation Improvement Program (TIP) for the San Luis Obispo County Region. Per SLOCOG's 2013 FTIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 and further described in Appendix A-4. Updated financial constraints tables will be included in the next formal amendment.

This amendment provides an update to the funding information for project # 11300000283, the TEMPLETON- ATASCADERO CONNECTOR, PPNO# 1843. The emission reduction calculation for this CMAQ funded project is as follows:

*Emission Reduction = 99.98 lbs/year (ROG, NOx, PM2.5) equivalent to 0.6 kg/day. Cost effectiveness = \$133.02 per pound. Calculations accomplished by SLOCAPCD based on input from SLO County Parks, SLOCOG, SLO County Bicycle Coalition and APCD knowledge.*

This amendment is available on the California Transportation Improvement Program System (CTIPS) and SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org> or if you would like a full copy of the 2013 FTIP and amendments, please visit SLOCOG's website at [www.slocog.org](http://www.slocog.org).
