Attn: Dennis Jacobs, FTIP Coordinator for District 5

Dear Mr. Jacobs:

Please accept this revision to our original February 21 submittal of **Administrative Modification No. 13-09** to the 2013 Federal Transportation Improvement Program (TIP) for the San Luis Obispo County Region. Per SLOCOG's 2013 FTIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 and further described in Appendix A-4. Updated financial constraints tables will be included in the next formal amendment.

This amendment provides an update the San Luis Obispo region's Highway Bridge Program for FY 2012/2013 – 2016/201. The financial change is financially constrained per the programming guidelines for Lump Sum Management and is consistent with the lump sum Highway Bridge Program back up list provided on November 11, 2013. Both the lump sum summary table and back up list are attached. SLOCOG will update the financial plan to reflect the revenue changes in the next formal amendment.

This amendment is available on the California Transportation Improvement Program System (CTIPS) and SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org/publicdemo> or if you would like a full copy of the 2013 FTIP and amendments, please visit SLOCOG's website at www.slocog.org. If you have any questions regarding this amendment, please feel free to contact Richard Murphy, SLOCOG's programming manager, at (805) 781-5754 or email inquiries to rmurphy@slocog.org.

Sincerely,

Ronald L. DeCarli, Executive Director
