Attention: Mr. Ray Sukys

Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to San Luis Obispo Council of Governments' (SLOCOG) 2012/13 – 2015/16 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
4	State and Local Element

- This amendment modifies and adds projects in the SLOCOG region funded from the State Highway Operation and Protection Minor Program and Recreational Trails Program.

See enclosures.

The updated programming is for projects in air quality attainment area that is exempt from the conformity determination requirement. The SLOCOG Board Resolution adopting this amendment certifies that the amendment is financially constrained, is consistent with the Regional Transportation Plan, and meets the requirements of public involvement procedures adopted by SLOCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment Number 4. I also recommend that the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) approve this FTIP amendment for inclusion into California's 2013 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vince Mammano/ Mr. Leslie T. Rogers
