Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2012/13 - 2015/16 Federal Transportation Improvement Program (FTIP):

No.    Description

5        **State and Transit Elements**

- Amendment modifies projects from the SLOCOG region. The amendment includes projects with funding from the State Highway Operation and Protection Program, and the Federal Transit Administration (FTA) 5316 and 5317 programs.

See enclosure.

The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, is consistent with the Regional Transportation Plan, and meets the requirements of public involvement procedures adopted by SLOCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment No. 5. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2013 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Mr. Vince Mammano/Mr. Leslie T. Rogers
